What's New for 2019

Canadian Armed Forces Veteran Licences: In recognition of their service, Saskatchewan will provide free hunting and angling licences for veterans of the Canadian Armed Forces beginning in the 2019-20 season. Licences for regular hunting opportunities will be offered subject to an initial verification process to confirm eligibility. They do not apply to Big Game Draw licences or outfitted licence opportunities. For more information on this opportunity, please visit saskatchewan.ca/hunting.

Amendments to Trespass Legislation: Legislation introduced in fall 2018 will change trespassing laws in rural Saskatchewan. Under the new legislation, hunters and trappers wishing to access private land and leased Crown land will be responsible for seeking permission from the landowner or occupant of the land. These changes will help ensure landowners and occupiers are aware of the presence of others on their property to help improve safety, reduce property damage and decrease the risk of agricultural diseases. The new law will also provide landowners with legal protection by limiting liability. This legislation is not expected to come into effect before the end of 2019.

Chronic Wasting Disease (CWD): CWD has been detected in approximately 75 per cent of farmland wildlife management zones in the province, including part of south-central and eastern Saskatchewan. The disease is present in mule deer, white-tailed deer, elk and moose. CWD-infected animals may appear healthy and show no signs of the disease. The ministry is considering options for CWD surveillance that would align with long-term management goals and provide an assessment of prevalence and distribution that is required to inform risk to big game species across the province. For more information on the 2019 CWD surveillance program, visit saskatchewan.ca/CWD.

The Guide is Online

Download the 2019 Hunters' and Trappers' Guide to your phone at saskatchewan.ca/hunting. That's one less thing to remember when you head out hunting. Check out the other extras for hunters while you're online. The updated website includes lots of new and useful information.

Proposed Changes for 2020

The following changes are proposed for the 2020-21 hunting season:

Black Bear

Hunting opportunities continue to be promising with good to excellent populations in the province. It is proposed for 2020 to allow Saskatchewan residents to harvest two bears under their regular bear licence in WMZs 17, 32-47, 53 and 55 excluding Fort a la Corne WMU.

Elk

A two-bag limit for draw antlerless elk is being considered in WMZ 33 (including Moose Mountain Provincial Park) in 2020 to manage the elk population while reducing hunter overcrowding in the region.

Mandatory hunter harvest surveys

Due to low response rates, mandatory hunter harvest surveys are being proposed. Hunter harvest surveys are critical in helping evaluate game populations. Wildlife biologists rely on this information to better understand how game populations are responding to current management strategies.

Hunting Opportunities for 2019

White-tailed Deer

With several years of favourable winter conditions, white-tailed deer populations are beginning to return to base levels across much of the province. Populations in some regions, such as the southwest, have increased to a level that warrants antlerless seasons in order to moderate population growth.

In response, the ministry has extended the 2019 season for Saskatchewan resident regular seasons and the Canadian resident draw season in all southern WMZs. Regular antlerless seasons will remain in place in city WMZs (Saskatoon, Regina/Moose Jaw and Prince Albert) with additional antlerless opportunities offered in WMZs 2E, 2W, 5, 6, 7E, 7W, 14W, 33, 34 and 55.

Moose

The most recent aerial surveys showed a decline in southern forest moose populations; several zones are 30 to 50 per cent below the long-term average. Hunting pressure may be contributing to the downward trend. Regular season dates were restricted and draw quotas were reduced in 2018 and will remain the same in 2019.

In the northern forest, WMZs 74-76, an either-sex regular season will be open in 2019.

Farmland moose populations remain near long-term objectives. Quotas will remain similar to 2018, with select WMZs seeing slight changes. Season dates in southern farmland zones will remain the same as 2018.

Elk

The recently developed Saskatchewan Elk Management Plan has influenced a number of changes.

Regular and draw archery elk seasons have shifted to increase opportunities for hunters while accommodating antlerless elk season dates. Changes have also been made to late antlerless elk seasons in many WMZs to improve hunter's success rates and assist in elk population management. Regular (all-weapon) elk and most either-sex draw elk season dates will remain unchanged from previous years. Increased draw quotas have been set in select Parkland wildlife management zones and WMZ 33 (including Moose Mountain Provincial Park) to manage elk populations in these regions.

Mule Deer

Provincial mule deer populations have benefited from multiple mild winters and appear to be at sustainable levels across much of the southern half of the province. New mule deer hunting opportunities are being introduced in WMZ 32 and the Prince Albert WMZ, bringing the total to 62 zones. Quotas for either-sex and antlerless animals have been increased in many WMZs.

Antlerless licences are offered with a bag limit of one or two deer, depending on the zone. See page 23 for details. Regular archery mule deer licences will be offered in the same zones as 2018, with the addition of WMZs 8, 53 and the Regina/ Moose Jaw WMZ.

Pronghorn

The draw for pronghorn will be conducted in July and the final quotas will be determined after ground surveys are completed. Quotas will be adjusted or eliminated based on current year population estimates.

Pronghorn populations continue to expand throughout much of their range. Wildlife managers are considering either-sex quotas in all eight management units comprised of WMZs 1-15, 18, 19 and 23-27. In addition, doe pronghorn opportunities are being considered for combined WMZs 2, 4, 5; 3, 6, 7; 8-11; and 14W, 25-27.

Please refer to saskatchewan.ca/hunting for the most current information.

Game Birds

Waterfowl populations remain at or above target levels across much of the province, although they may be impacted by spring and summer conditions. Season dates and bag limits remain unchanged.

Saskatchewan's Upland Game Bird Management Plan was recently published and changes to quotas align with the plan thresholds. Upland bird populations vary across the province. Sharp-tailed grouse and gray partridge populations continue to increase, so bag limits have been increased in some areas. Ring-necked pheasant populations declined, but remain relatively strong. Forest grouse populations recently went through a low point in their natural cycle, but seasons and bag limits remain unchanged in most cases. Please see page 35 for more information.

Hunting under the influence of alcohol, marijuana or other narcotics is illegal. If you suspect an intoxicated hunter, report them to TIPP at 1-800-667-7561.

Licensing Fees and Requirements

Hunting licences – paper or electronic – and any required seals or ledgers must be carried with you at all times when hunting. Fall licences will be available August 1, 2019.

For definition of a Veteran, see page 7.

All licences include
GST (goods and services tax)

Wildlife Habitat Licence	\$15.00
Veteran Wildlife Habitat Licence (Saskatchewan and Canadian resident)	Free
Note: The ministry's automated licence system ensures that any purchase of a hunting or fur licence also includes a 2019 Wildlife Habitat Licence (one-time purchase only).	
Game Birds	
Saskatchewan Resident Game Bird	\$20.00
Veteran Game Bird Licence (Saskatchewan and Canadian resident)	Free
Canadian Resident Game Bird	\$80.00
Non-resident Game Bird	\$160.00
Note: A Federal Migratory Game Bird Permit, the applicable Saskatchewan game bird licence and Wildlife Habitat Licence are all required to hunt waterfowl.	
Migratory Game Bird Permit	\$17.85
(Available at post offices, select licence issuers or at permis-permits.ec.gc.ca/en)	
Youth Game Licence (Saskatchewan residents only)	\$20.00
(includes a game bird and first white-tailed deer licence; a fur licence is also available)	
Note: must be 12 to 18 years of age and have successfully completed a firearm safety/hunter education course.	
White-tailed Deer	
First Saskatchewan Resident	\$40.00
First Saskatchewan Resident Veteran	Free
First Saskatchewan Resident Antlerless	\$30.00
First Saskatchewan Resident Veteran Antlerless	Free
Second Saskatchewan Resident Antlerless	\$30.00
Second Saskatchewan Resident Veteran Antlerless	Free
Canadian Resident Draw	\$160.00
Guided (Canadian and Non-residents)*	\$330.00
Note: Antlerless white-tailed deer licences will be available August 15 in select WMZs on a first come, first served basis through the Hunting, Angling and Trapping Licence (HAL) system.	
Elk	
Saskatchewan Resident	\$40.00
Saskatchewan Resident Veteran	Free
Saskatchewan Resident Draw	\$65.00
Moose	
Saskatchewan Resident	\$40.00
Saskatchewan Resident Veteran	Free
Saskatchewan Resident Draw	\$65.00
Guided (Saskatchewan, Canadian and non-residents)*	\$375.00

Mule Deer

Saskatchewan Resident Archery	\$45.00
Saskatchewan Resident Veteran Archery	Free
Saskatchewan Resident Draw	\$45.00
First Saskatchewan Resident Antlerless Draw	\$30.00
Second Saskatchewan Resident Antlerless Draw (available in select zones)	\$30.00

Pronghorn

Saskatchewan Resident Draw	\$45.00
----------------------------------	---------

Wolf

Saskatchewan Resident	\$50.00
Saskatchewan Resident Veteran	Free

Black Bear

Saskatchewan Resident	\$25.00
Saskatchewan Resident Veteran	Free
Canadian Resident (non-guided)	\$100.00
Canadian Resident Veteran (non-guided)	Free
Guided (Canadian and non-residents)*	\$200.00

Note: an unused 2019 bear licence purchased for the spring season is valid for the 2019 fall season.

Fur Licences (Saskatchewan residents only):

Southern Fur Conservation Area	\$40.00
(SFCA, includes all private and occupied Crown land in central and southern Saskatchewan)	
Northern Fur Conservation Area	\$20.00
(NFCA, includes all unoccupied Crown land in central and northern Saskatchewan)	

Note: Only NFCA member trappers are eligible for this licence, see page 38).

Youth Fur Licence (SFCA or NFCA, available only at Ministry of Environment offices)Free

Note: must be a Saskatchewan resident aged 12 to 18 years who has successfully completed a firearm safety/hunter education course and a trapper education course. Free youth fur licences are available separately with the purchase of a Habitat Licence, or as part of the youth licence package.

Saskatchewan Treaty Indian (available at local band offices)Free

Note: Valid only for the sale of furs taken on a First Nation.

Replacement Seals or Ledgers (available only at Ministry of Environment offices)\$5.40

Note: Harvest ledgers and big game seals that have been registered (activated) with a hunting licence and lost, inadvertently detached or destroyed must be replaced in order to lawfully hunt.

Reprints of Lost/Destroyed LicencesFree

Note: Valid licences (excluding seals or ledgers) may be reprinted online on your personal computer, at a Ministry of Environment office or from a private licence issuer.

*** Guided Licences**

- All non-resident big game hunters (white-tailed deer, moose and bear) and Canadian resident moose hunters must use the services of an outfitter and possess the applicable guided licence.
- Canadian resident black bear hunters may hunt with or without an outfitter; however, if an outfitter is used, a guided licence is required.
- Canadian resident hunters who hold a draw white-tailed deer licence have the option to hunt with or without an outfitter and do not require a guided licence.

Note: In order for hunters to purchase a guided licence, their outfitter must first purchase a Resource Allocation Licence (RAL) and link it to the hunters' HAL accounts.

Residency and Veteran Definitions

Saskatchewan resident: A person who is a Canadian resident whose principal residence is in Saskatchewan, has lived in the province for three months immediately prior to applying for a licence and possesses a valid Saskatchewan Health Services card (including RCMP members). This includes a person who is a regular member of the Canadian Armed Forces that is stationed and residing in the province or who was a Saskatchewan resident when recruited or deployed from the province.

Canadian resident: A person whose principal residence is in Canada and is a Canadian citizen or has lived in Canada for 12 months immediately preceding the application for a licence.

Non-resident: A person who is not a Saskatchewan or Canadian resident.

Canadian Armed Forces Veteran: A veteran is a Saskatchewan resident or Canadian resident who is a former member of the Canadian Armed Forces, has successfully undergone basic training and has been honourably discharged. For further information on eligibility requirements, please visit saskatchewan.ca/hunting.

Firearm Safety/Hunter Education Training

It is unlawful to apply for a licence without recognized training.

People born after January 1, 1971, must hold a certificate from a recognized firearm safety/hunter education course in order to apply for and hold a Saskatchewan game or fur licence. All first-time purchasers of hunting or trapping licences will be asked to confirm that they hold a firearm safety/hunter education certificate. Conservation officers may request proof of training.

Contact the Saskatchewan Association for Firearm Education (SAFE) to check your status or obtain documentation of successful completion at 306-352-6730 or saskhunter.ca.

If you have received training outside of Canada or the United States, contact SAFE or a ministry office to confirm the training is recognized in Saskatchewan.

Licence issuers

A list of licence issuers by community can be found at saskatchewanlicences.active.com/issuerlist/page

Reminder to Hunters

Please check with authorities prior to importing wildlife to your home province or state. Other jurisdictions may have additional requirements or restrictions for importing game animals taken in Saskatchewan.

Youth Hunting Requirements

While hunting, youth aged 12 to 15 must be under the direct supervision of an adult who is at least 18 years of age. Subject to federal firearms legislation, youth aged 16 to 17 may hunt unsupervised.

Note: Firearm safety/hunter education training differs from the Canadian Firearms Safety Course. The federally sponsored Canadian Firearms Safety Course allows successful students to apply for a Possession and Acquisition licence, which authorizes a person to possess or purchase a rifle or shotgun and purchase ammunition. The Canadian Firearms Safety Course does not authorize a person to purchase a Saskatchewan hunting or trapping licence.

Federal firearms legislation states:

- any person who does not hold a federal Possession and Acquisition Licence (PAL) or federal Minors' Permit must be under the supervision of someone who holds a PAL; and
- a youth hunter 16 years of age or older can hunt without supervision if that individual possesses a federal Minors' Permit.

Youth aged 12 to 15 must have a parent or guardian complete the consent portion of the Saskatchewan hunting licence. Each subsequent licence will require completion of the consent section.

A youth game licence includes an either-sex white-tailed deer licence and a game bird licence. Youth wishing to hunt waterfowl must purchase a federal migratory game bird permit, except during Waterfowler Heritage Days.

A free youth fur licence is also available with the youth game licence or as a stand-alone licence with the purchase of a Wildlife Habitat Licence. First-time trappers must successfully complete a recognized humane trapper education course or pass an equivalency test from the Ministry of Environment.

Please confirm your mailing address

If you are ordering your hunting licence by phone or online and require seals by mail, order at least two weeks in advance and ensure that your mailing address is correct. Leaving on your trip without your pre-ordered licence and seals may mean a long delay in obtaining replacement seals. In order to receive program information and notifications, hunters are reminded to ensure that their email address is up to date in their HAL account.

Notice of hunter inspections

Conservation officers will be checking for compliance with hunting regulations in hunting areas throughout the province and at border crossings during hunting seasons. Hunting or trapping violations may result in a fine and/or the loss of hunting privileges.

Summary of Saskatchewan Hunting REGULATIONS

The following is a summary of applicable regulations and, as such, the original statutes should be consulted for all purposes of interpretation and application of the law. Regulations that apply to hunting and trapping in Saskatchewan are *The Wildlife Act, 1998*; *The Wildlife Regulations, 1981*; *The Open Seasons Game Regulations, 2009*; *The Wildlife Management Zones and Special Areas Boundaries Regulations, 1990*; *The Fur Animals Open Seasons Regulations*; *The Firearm Safety/Hunter Education Regulations, 2009*; *The Dog Training Regulations, 1982*; *The Outfitter and Guide Regulations, 2004*; *The Migratory Birds Convention Act, 1994*; and *The Migratory Birds Regulations*. Copies of these documents may be obtained at publications.gov.sk.ca/freelaw.

General

It is unlawful to:

- Hunt any wildlife at night, one-half hour after sunset to one-half hour before sunrise;
- Shoot across, along or from a provincial highway, provincial road or municipal road;
- Use any artificial light, infrared device, night vision scopes or goggles for the purpose of hunting;
- Hunt while intoxicated or under the influence of a narcotic or alcohol;
- Carry a loaded firearm in or on a vehicle or while on horseback:
 - > A rifle or shotgun is deemed loaded when shells are in the magazine or when a loaded clip is attached to a hinge plate or in contact with the firearm; and
 - > A muzzleloader is deemed loaded when the firearm is charged and the ignition system is in place on the firearm.
- Hunt within 500 metres of a building, stockade or corral occupied by people or livestock without the consent of the owner or occupant in charge;
- Hunt on posted land (e.g. no hunting or no trespassing) without the consent of the owner or occupant:
 - > If a hunter wounds an animal and it runs onto posted land, it is the hunter's responsibility to contact the landowner and obtain permission before entering the posted land.
- Retrieve a wounded animal after legal hunting hours without consent from a conservation officer;
- Shoot an animal of the incorrect species or sex:
 - > If a hunter shoots any wildlife of the incorrect species or sex, the hunter shall immediately field dress the animal and then call the local conservation officer to report it.
- Transport any game, including pheasants, not accompanied by evidence of its sex and age except when all ages and both sexes of game may be legally hunted;
- Injure or kill a game bird or animal without making every reasonable attempt to retrieve it;
- Waste, destroy, allow to spoil or abandon the edible flesh of a game bird or big game animal, except black bear and wolf:
 - > If a hunter harvests a big game animal that appears unhealthy or has been previously injured, the hunter should contact the local conservation officer.
- Use any vehicle or power boat to chase wildlife;

- Operate an aircraft or be assisted by a person operating an aircraft, including unmanned aircraft (drone), for any purpose connected with searching for, hunting or killing wildlife;
- Use the following devices for hunting or killing wildlife:
 - > Spears, darts, spear throwers, blowguns or any similar device; and
 - > Barbed or poisoned arrows, or arrows with explosive heads.

Licences

It is unlawful to:

- Use more than one HAL number for the purpose of obtaining or applying for a licence;
- Hold a regular and a draw big game licence for the same species;
- Hold two licences of the same licence type in any one year (e.g. either-sex mule deer);
- Hold or apply for any hunting or fur licence while suspended;
- Use or carry another person's big game licence, seal or certificate while hunting;
- Hunt with detached seals or seals that have not been associated with a big game licence through HAL; and
- Tamper, alter or mutilate any licence or seal (the licence or seal is deemed void).

Big Game

It is a unlawful to:

- Hunt big game with a rifle, hunt in a designated rifle-only season or accompany a rifle hunter without wearing:
 - > A vest (an outer garment that covers the torso) of scarlet, bright yellow, blaze orange or white or any combination of these colours. The vest may include a label or crest not exceeding 100 centimetres² (15 inches²);
 - > A high-visibility garment carrying a Canadian Standards

Association (CSA) label stating CAN/CSA Z96. This designation includes Z96-02, Z96-09 or Z96-15 (indicates the year the standard was updated). Both class 2 (vest) or class 3 (coveralls) garments are lawful hunting apparel; and

- > Scarlet, bright yellow or blaze orange headwear (white is not allowed). The headwear may include a small label or crest not exceeding 50 centimetres² (7.8 inches²).

- Hunt big game with:
 - > Any cartridge with an empty cartridge case length of less than 32 mm (this includes most handgun cartridges and all rimfire cartridges);
 - > Any centre fire rifle cartridge of .17 calibre or less;
 - > Any of the following cartridges: .22 Hornet, .22 K-Hornet, .218 Bee, .25-20 Winchester, .30 Carbine, .32-20 Winchester, .357 Magnum, .41 Remington Magnum, .44-40 Winchester or .45 Colt;
 - > A firearm that uses a rimfire cartridge;
 - > Full metal-jacketed, hardpoint, non-expanding bullets;
 - > **A large calibre air rifle, pneumatic firearm or similar device that uses compressed air, nitrogen, carbon dioxide or any other gas;**
 - > **Any firearm or device that uses hydrogen, helium, propane, butane or any other flammable gas;**
 - > **Any firearm or device that uses blank ammunition or a nail gun charge;**
 - > A slingbow or similar elastic powered devices;
 - > A pistol or revolver;
 - > A bow with a draw weight of less than 18.2 kilograms (40 pounds) and arrowheads of less than 2.2

- centimetres (7/8 inch) in diameter;
- > A crossbow with a draw weight of less than 68 kilograms (150 pounds); and
 - > A crossbow other than in an open muzzleloader or rifle season.
 - > **Note:** in the Regina/Moose Jaw, Saskatoon and Prince Albert WMZs, crossbows are permitted during all open seasons.
 - Hunt wildlife with a rifle other than a muzzleloader during a big game season in Regina/Moose Jaw and Saskatoon WMZs;
 - **Note:** licensed trappers may carry and use a .22 (or less) calibre rimfire rifle in these areas during a big game season, provided they are performing normal trapping operations.
 - Fail to properly attach a seal (tag) to a harvested big game animal:
 - > Confirm the animal is safe to handle;
 - > Select the seal that matches the big game species you have harvested;
 - > Separate the three-part seal (marked as meat, hide and antler/head);
 - > Cut out or notch the year, month and day of harvest on each seal, fold in half aligning the pre-cut holes;
 - > Use a plastic tie, wire or string inserted through the pre-cut holes;
 - > Secure the seal to the antlers or head of the animal (ear);
 - > Secure the meat seal to the carcass (rib cage or tendon on hind leg); and
 - > Secure the hide seal through the hide.
 - Fail to properly separate the seals as above and notch the date upon harvesting a big game animal;
 - Possess an unprocessed big game carcass or unprocessed hide without a seal;
 - Possess the head or antlers of a deer, moose, elk or pronghorn antelope without the seal attached to the head or antlers until March 31 of the year following the harvest date;
 - Leave a big game hide in the field except moose and elk in WMZ 56 to 76;
 - Place a tree stand or blind on provincial forest land, unoccupied Crown land or land within a provincial park or recreation site without clearly and permanently marking (in a visible location) the person's name and address, or the outfitter's licence number, and the date the tree stand or blind was erected;
 - Leave a tree stand, blind or any other structure on provincial forest land, unoccupied Crown land or land within a provincial park or recreation site after July 7, if placed between April 7 and June 30 of the same year, or after December 31, if placed between August 15 and December 19 of the same year;
 - Accompany, hunt with, aid or assist a person hunting big game while hunting coyotes or wild boar;
 - Carry or transport a firearm through a game preserve, wildlife refuge, wildlife management unit, regional park, provincial park, protected area or recreation site that is closed to hunting unless the firearm is encased and in a vehicle;
 - Kill female black bears with young of the year cubs at heel; and
 - Aid, assist or hunt with people who are exercising their Aboriginal hunting rights unless you possess Aboriginal rights or carry a permit to assist.

Game Bird

It is unlawful to:

- Hunt upland game birds with a centre fire rifle;
- Hunt game birds with a shotgun unless the magazine is plugged in such a way that it cannot hold more than two shells;

- For Canadian and non-resident game bird hunters:
 - > Exceed the season limit for sharp-tailed grouse or gray (Hungarian) partridge;
 - > Fail to record the date of kill on a harvest ledger upon taking a sharp-tailed grouse or gray (Hungarian) partridge;
 - > Hunt game birds without possessing the harvest ledger that is registered with a game bird licence; and
 - > Hold more than one game bird licence.
- Hunt migratory game birds with a rifle or possess more than one shotgun while hunting migratory game birds;
- Hunt game birds within 500 metres of a waterfowl feeding station or enter any lands posted with lure crop signs contrary to posted instructions;
- Dig a pit or excavation or leave it open without the consent of the owner or occupant of the land; and
- Use recorded electronic calls other than snow geese vocalization while hunting waterfowl.

Baiting Regulations

- Bait means any food, including salt and salt products intended to attract big game, but does not include fields of crop or forage, whether standing or harvested crops, forage or hay stacked in the field where it is grown, or grain that is scattered or piled as a result of farming operations;
- On private land or occupied Crown land, no person shall, without the permission of the owner or occupant, place bait, including salt and salt products, for hunting big game or feeding or attracting other wildlife. It is recommended that salt or salt products used for hunting purposes be placed in a leak-proof container;
- In the provincial forest, in provincial parks or recreation sites and on unoccupied Crown land, no person shall:
 - > Store bait at or near any bait location;
 - > Hunt at a bait site placed by another person without that person's consent;
 - > Other than the owner, tear down, remove, damage, deface or cover up any bait or sign;
 - > Use salt or salt products for bait unless placed in a leak-proof container that is secured to prevent the contents from being spilled;
 - > Use as bait: any noxious weed or noxious weed seed as described in *The Weed Control Act*, any exotic plant as described in *The Forest Resources Management Regulations* or any carcass or part of a domestic animal other than domestic animal trimmings received from a licensed butcher shop or abattoir;
 - > Feed wild ungulates between January 1 and July 31; and
 - > Place bait for the hunting of wild boar.
- In the provincial forest, provincial parks or recreation sites and on unoccupied Crown land, no person shall place bait, including salt and salt products, for hunting big game:
 - > Without erecting at the site a sign of durable material no less than 600 centimetres² (96 inches²) on which is clearly marked the person's full name and address or clearly marking his/her full name and address on any container used for holding the bait;
 - > Within 500 metres of any campground, dwelling or other place used by people;
 - > Within 200 metres of any numbered provincial highway, provincial road or municipal road;

- > Within 200 metres of any maintained forest access road, snowmobile trail or cross-country ski trail prior to April 1; and
 - > Prior to August 1, except for hunting black bear during the spring black bear season when bait may be placed on or after March 1.
 - For the purpose of hunting black bear, no person shall:
 - > Use bait that is not placed in a container;
 - > Use a container with a volume exceeding 210 litres (45 gallon drum);
 - > Use a container unless it is constructed in such a way that prevents a bear from becoming trapped; and
 - > Use a container that can be removed from the bait site by a bear.
 - For the purpose of hunting big game other than black bear, no person shall:
 - > Use bait, other than bales, that exceeds 40 litres in volume (9 gallons); and
 - > In the case of bales, use more than two bales with a combined total weight exceeding 90 kilograms (198 pounds).
 - A person who has placed bait for the purpose of hunting big game shall remove, at the end of the hunting season for which it was placed, any remaining bait, the container, the sign marking the bait, and any items brought to the bait site; and
 - In provincial parks and recreation sites, no person shall place bait for hunting big game without the authorization of the park manager.
 - **Note:** No person shall place bait for the purpose of hunting big game or wild boar on any Fish and Wildlife Development Fund lands.
- person hunting big game is allowed to drive off roads or road allowances with trails without written permission from the landowner, except to retrieve legally killed big game animals using the most direct route;
- In Regina/Moose Jaw and Saskatoon WMZs, no person hunting big game is allowed to drive off roads or road allowances with trails, except to retrieve legally killed big game animals using the most direct route.
 - **Note:** A vehicle may be operated off roads and trails with landowner permission to place or remove bait, stands or trail cameras provided a firearm is not present in the vehicle.
 - In Moose Mountain Provincial Park, the use of vehicles is restricted to park roads except to retrieve legally killed big game animals using the most direct route; and
 - Vehicles are restricted to designated roads within Saskatchewan Landing Provincial Park and may not leave the road for any purpose.

All-terrain Vehicles

Farmland areas of Saskatchewan

- ATVs, snowmobiles and passenger vehicles may not be used on wildlife lands for any purpose at any time with the exception of retrieving legally killed big game animals using the shortest and/or least impacting route or under permit for specific authorized purposes;
- In WMZs 1 to 47, 52, 54, Moose Mountain Provincial Park, Regina/Moose Jaw, Saskatoon and Prince Albert WMZs and Fort à la Corne WMU, no person shall carry a firearm (including a bow or crossbow) on an ATV during an open big game season (excluding the wolf season) with the following exceptions:

- > Encased firearms may be carried on ATVs in Fort à la Corne WMU during the spring black bear season only; and

Vehicle Controls

Roads and Trails Only

- During an open big game season in WMZs 15 to 18 and 30 to 34, no

- > A licensed trapper may carry a rimfire rifle of .22 calibre or less on an ATV while conducting normal trapping operations.
- ATVs may not be used in any National Wildlife Area.
- **Note:** ATVs may be used on private land with landowner permission for activities related to hunting provided no firearms are carried on the vehicle.

Provincial Forest and Forest Fringe Areas of Saskatchewan

- In WMZs 48 to 50 (excluding Fort à la Corne WMU), 53 and 55 to 76, and in the West Block of Cypress Hills Provincial Park, no person shall carry a firearm on an ATV during an open season for big game (excluding the wolf season) unless it is encased.

Provincial Park and Recreation Sites

- **ATV use for hunting on provincial park and recreation site lands is limited to trails that have been signed and designated for that purpose or for the retrieval of legally harvested big game only. Outfitters are eligible to receive a permit to use an ATV for their operations;**
- ATVs may not be used in Saskatchewan Landing and Douglas provincial parks.

Designated Trails – Cypress Hills Provincial Park (West Block)

- No person shall drive a vehicle off a designated trail or provincial highway except to retrieve legally killed big game animals using the most direct route;
- Firearms must be encased in vehicles when driven off designated trails to retrieve game; and
- No person shall park more than 10 metres from a designated trail or provincial highway. Trails are marked at the start and end with designated trail signs.

Forest Road Closures

- Road closures may be identified with earth berms, gates and/or signs to protect forest resources and roads;
- No passenger vehicles are allowed behind/beyond forest road closures – ATVs, snowmobiles, horses and bicycles may be used at your own risk; and
- Breaking or cutting trees, or mowing/damaging other vegetation where a road closure is in place, is prohibited.

Transporting Big Game or Game Birds within the Province

- Hunters transporting big game animals during an antlerless or bull-only season are required to keep evidence of species and sex. During seasons where only bull elk or bull moose may be taken, the antlers must accompany the animal;
- Big game carcasses transported separately from hides must have the tail or the lower hind leg from the hock joint down attached with the hide still in place as proof of species;
- Big game carcasses must be properly tagged when delivered to a butcher for cooling, cutting and packaging. Provided hides are properly tagged and the species identification parts are attached to the carcass, the hides can be kept or sold to hide dealers;
- Hunters may share an unprocessed big game carcass with their hunting partners. A permit is not required to transport an untagged portion of the carcass if an individual has documentation consisting of the successful hunter's name, signature, licence number, species of game and date of harvest. The individual possessing the unprocessed meat must have this information readily available to provide to a conservation officer;
- When transporting pheasants, evidence of sex must accompany the bird. If the bird is plucked and dressed in the field, leave the head

- attached to the carcass;
- No person can possess or transport a migratory game bird unless at least one fully feathered wing remains attached to the bird; and
- In the case of upland game birds, no person shall possess, transport or ship any upland game bird unless the game birds are packed in a manner that will permit a wildlife officer to readily determine the number and species of game birds.

Exporting Big Game or Game Birds

- Legally tagged big game may be taken out of the province without an export permit if the licence holder travels with the game;
- Hunters may take the cape of a big game animal out of the province without a hide seal attached if the cape and antlers (attached to the skull plate with attached seal) travel with the licence holder;
- Legally tagged raw big game hides may be exported if a big game hide seal is attached to the hide;
- Any wildlife or wildlife parts not accompanying the licensed hunter, or wildlife not taken under authority of a hunting licence, including antlers (other than shed antlers), claws or skulls, require an export permit to be taken out of the province. Permits are available at Ministry of Environment offices;
- Packages for shipping wildlife within or outside the province must be marked with the sender's name, address, hunting licence or permit number and contents;
- No person, other than a Saskatchewan resident, shall import wildlife into Saskatchewan from another province or country, under the authority of a game licence, without first obtaining an import permit from a Ministry of Environment office. An export permit from another province or country constitutes the authority to a Saskatchewan resident to import the wildlife in question;
- A Convention on the International Trade in Endangered Species (CITES) Permit is required to export black bears out of Canada. Hunters from the United States (U.S.) accompanying their properly tagged black bears (raw and untanned) are exempt; however, a CITES permit is required for tanned or processed pelts;
- Sandhill crane hunters do not require a CITES permit if you are a U.S. resident returning home at the conclusion of your hunt, provided the cranes are part of your personal baggage and are in a fresh, frozen or salted condition. Your Saskatchewan game bird licence, Habitat Licence and federal Migratory Game Bird Permit must be presented at the border, as required;
- Your game bird licence and associated ledger is also a permit to export legal limits of game birds, providing you accompany them in transit;
- No person shall transport or ship migratory birds belonging to another person into the U.S.;
- No person can possess or transport a migratory game bird unless at least one fully feathered wing remains attached to the bird;
- No person shall possess, transport or ship any upland game bird unless the game birds are packed in a manner that will permit a wildlife officer to readily determine the number and species of game birds;
- If the legal limit of migratory birds you have taken accompanies you in a private vehicle, labelling is not required;
- Packages containing upland game birds do not require labels if they accompany the licensed hunter in transit; and
- All game birds must be packaged in a manner that will permit the

number and species to be readily determined; no bulk packaging or bulk freezing is allowed.

Private Land Considerations

- Approximately 85 per cent of the land in southern Saskatchewan is privately owned or controlled;
- Always obtain landowner permission prior to hunting on any private lands;
- Signs advising Hunt on Foot Only or Vehicles Restricted to Roads and Trails Only are available free of charge to landowners from ministry offices;
- To further assist landowners, signs notifying hunters to Please Close this Gate, Seeded Field, Hunt on Foot Only and Occupied Building within 500 Metres are also available at ministry offices; and
- Hunters failing to observe posted instructions could face charges under *The Wildlife Act*.

Special Lands Provisions

Fish and Wildlife Development Fund Lands (Wildlife Lands)

- Open to hunting on foot only;
- No person can operate or be a passenger in any vehicle (including a passenger vehicle, ATV or snowmobile) for any purpose except:
 - > To retrieve legally killed big game or wild boar using the shortest and/or least impacting route;
 - > If a passenger vehicle is being used to retrieve legally killed big game or wild boar. All firearms must be encased; and
 - > Under the authority of a vehicle use permit for agriculture or other approved purposes.
- Walk-in camping will be allowed provided vehicles are left off the FWDF property. Open fires are prohibited;
- No baiting for the purposes of hunting is allowed; and
- Hunting stands and tree stands are allowed on wildlife lands under the following conditions:
 - > Stands must be marked with the

person's name, address and date on which the stand was placed on wildlife lands; and

- > Stands must be removed at the end of legal hunting time on the day it was placed.

Saskatchewan Wildlife Federation, Ducks Unlimited Canada and the Nature Conservancy of Canada Lands

- Hunting may be permitted on lands as per posted instructions;
- Hunters are required to follow posted instructions (e.g. hunt on foot only) and
- Contact the responsible agency for further information.

National Wildlife Areas (NWA)

- Open to hunting unless otherwise posted;
- Last Mountain Lake, Stalwart, Webb, Prairie, Bradwell and Tway NWAs are open to all hunting with the exception that sandhill cranes may not be hunted in the Last Mountain Lake NWA;
- Hunt on foot only, vehicles may not be driven off or beyond roads and designated trails. Vehicles may not leave the road for any purpose; and
- For information on these areas and restrictions applying to them, contact the Canadian Wildlife Service at 306-975-4087.

Canadian Forces Base Dundurn, National Parks, Wildlife Refuges, Migratory Bird Sanctuaries, Cold Lake Air Weapons Range, Game Preserves and Road Corridor Game Preserves

- Closed to all hunting.
- #### Provincial Parks, Regional Parks and Recreation Sites
- Closed to all hunting unless otherwise specified in the open season tables; and
 - Specific vehicle regulations may apply. See ATV regulations on page 14.

Wildlife Management Units (WMU)

- Many WMUs are community pastures and are subject to the conditions outlined in the community pasture

section in this guide;

- Fort à La Corne WMU is closed to hunting unless otherwise specified; and
- All remaining WMUs are included in the WMZ that surrounds them and are open for hunting during the times specified in the open season tables.

Road Corridor Game Preserve (RCGP)

- All RCGPs are shown on the WMZ map and identified with signage;
- Hunting is prohibited within 400 metres of the centerline of a road within a RCGP;
- Firearms must be encased when travelling on a RCGP; and
- Licensed hunters may carry unloaded firearms from a vehicle to the edge of the game preserve by the most direct route and return in the same manner.

Northern Communities

- Excluding any privately owned land, only residents of the following communities may hunt big game within a 16-kilometre radius of their communities: Beauval, Black Lake, Buffalo Narrows, Camsell Portage, Cree Lake, Deschambault, Dillon, Fond du Lac, Ile-à-la-Croise, Kinoosao, La Loche, La Ronge, Patuanak, Pelican Narrows, Pinehouse, Primeau Lake, Sandy Bay, Southend, Stanley Mission, Stony Rapids, Turnor Lake and Wollaston.

First Nation Reserves

- Closed to licensed hunting unless permission is granted by the Chief or Band Council.

Community Pastures

- There are currently two types of community pastures in Saskatchewan:
 - > Saskatchewan Provincial Pastures (SPP); and
 - > Patron Operated Pastures (POP) – former Agriculture and Agri-Food Canada (AAFC) pastures leased to patron groups.
- The end of the Saskatchewan Pastures Program was announced

March 22, 2017 and these pastures are transitioning to patron control. Remaining provincial pastures will transition in the 2019 and 2020 grazing seasons;

- All SPP and POP pastures are open to hunting as follows:
 - > WMZs 1 to 47 – November 1;
 - > WMZ 54 – November 10; and
 - > WMZs 48 to 50, 52, 53, 55 and 68N – November 15.
- Portions of some pastures may remain closed beyond these dates if livestock are still at large or field operations are occurring;
- Some pastures may open to hunting prior to these dates, but hunters must contact the pasture manager to confirm this prior to entering the pasture;
- Vehicles are restricted to roads and trails; however, special access conditions may be in place for select pastures;
- Contact the pasture manager for access and trail information;
- No fires are allowed;
- Visit saskatchewan.ca and search for the Canada and Saskatchewan Community Pasture Transition Program.

Landowner permission is required before setting out trail cameras, tree stands or blinds on private land.

Saskatchewan Resident Draw Seasons

Hunting is allowed in wildlife management units (WMU) and national wildlife areas that are within a wildlife management zone (WMZ) that is listed as being open for big game. The exception is Fort à la Corne WMU and the St. Denis National Wildlife Research Area. Only provincial parks and recreation sites listed below are open to hunting. See Special Lands Provisions (page 16) for more information. **New season dates are indicated in bold and green.** To view the 2019 draw quotas, see the online [Big Game Draw Supplement](#).

Wildlife Management Zones Open	Season Dates	Bag Limit
WMZ 56 including Round Lake Recreation Site, Greenwater Lake Provincial Park and that portion of Porcupine Hills Provincial Park (West Block) within WMZ 56 WMZ 57 including those portions of Porcupine Hills Provincial Park (East and West Blocks) within WMZ 57 WMZ 58 WMZ 59 including Wildcat Hill Provincial Park WMZs 60, 61 and 62 WMZ 63 including the southern portion of Narrow Hills Provincial Park WMZ 64 including Great Blue Heron, the southern portion of Clarence-Steepbank Lakes and a portion of Narrow Hills provincial parks WMZ 65 including the northern portion of both Clarence Steepbank Lakes and Narrow Hills provincial parks WMZs 66 including Nesslin Lake Recreation Site WMZ 67 WMZ 68S including Bronson Forest Recreation Site WMZ 68N WMZ 69 including Meadow Lake Provincial Park	Sept. 1 – Oct. 31 archery, muzzleloader and crossbow Nov. 1 – Dec. 2 rifle	one white-tailed deer, either-sex
Additional Information (White-tailed Deer)		
<ul style="list-style-type: none"> Rifle hunting is not permitted in Regina/Moose Jaw WMZ and Saskatoon WMZ. Shotguns may not be used during the muzzleloader season. In provincial parks and recreation sites that are listed as having a September white-tailed deer season, hunting for white-tailed deer is delayed until September 10. 		

Our licence system is automated!

You can purchase your hunting, angling or trapping licences:

- online any time (big game licences require a previously acquired blank seal for immediate purchase, or allow 10 business days for delivery by mail);
- through Saskatchewan licence issuers, Ministry of Environment and select provincial park offices; or
- by phone using a credit card at 1-855-848-4773 (8 a.m. to 9 p.m. CST). Please allow 10 business days for delivery by mail.

Remember: Licence purchases can be made simply by accessing your existing account using your HAL Identification Number (HAL ID) or your previously registered secondary identification number. Do not create a second account; it is a violation of *The Wildlife Regulations* to use more than one HAL account. If you require assistance with your identification, call 1-855-848-4773 (8 a.m. to 9 p.m. CST).

Regular Seasons

Hunting is allowed in wildlife management units (WMU) and national wildlife areas that are within a wildlife management zone (WMZ) that is listed as being open for big game. The exception is Fort à La Corne WMU and the St. Denis National Wildlife Research Area. Only provincial parks and recreation sites listed below are open to hunting. See Special Lands Provisions (page 16) for more information. When a series of WMZs are listed, it includes all zones within the series (e.g. WMZ 1-10 includes zones 1, 2E, 2W, 3, 4, 5, 6, 7E, 7W, 8, 9 and 10). **New season dates are listed in green and bold.**

Regular Seasons

White-tailed Deer - Saskatchewan Residents Only		
Wildlife Management Zones Open	Season Dates	Bag Limit

Additional Information		
<ul style="list-style-type: none"> • Bull elk is a male elk having an antler at least 15 centimetres in length as measured on the outside of the curve from the antler from the skull to the tip. • An antlerless elk is a cow or 2019 calf. • The antlers of bull elk must accompany the carcass in the bull elk season. • In provincial parks and recreation sites that are listed as having a September elk season, hunting for elk is delayed until September 10. • No regular elk hunting in Fort à la Corne WMU. 		

Areas closed to hunting

Fort à la Corne Wildlife Management Unit (WMU) and all provincial parks, regional parks and recreation sites are closed to all hunting unless otherwise specified. Firearms must be encased unless you have a hunting licence valid for that area.

Surveys

We want to hear from you! The Ministry of Environment conducts several surveys every year, including the Hunter Harvest Survey, Co-operative Wildlife Management Survey and Furbearer Survey, We're also introducing surveys this year that will allow you to share your opinions on Saskatchewan hunting and trapping issues. Your feedback is important. Please take the time to complete these surveys at saskatchewan.ca/hunting.

Black Bear - All Hunters (Regular and Guided Seasons)

Wildlife Management Zones Open	Season Dates	Bag Limit
WMZs 30, 34 to 50 and 52 to 76	Apr. 15 – June 30 Aug. 25 – Oct. 14 archery, muzzleloader, crossbow, shotgun and rifle	one black bear, either- sex
Duck Mountain, Greenwater Lake, Great Blue Heron, Lac La Ronge, Clarence-Steepbank Lakes, Narrow Hills, Meadow Lake and Porcupine Hills provincial parks, and Bronson Forest, Nesslin Lake and Round Lake recreation sites	Apr. 15 – May 31 Sept. 10 – Oct. 14 archery, muzzleloader, crossbow, shotgun and rifle	one black bear, either- sex
Wildcat Hill, Clearwater River and Athabasca Sand Dunes provincial parks and Fort à la Corne WMU	Apr. 15 – June 30 Sept. 10 – Oct. 14 archery, muzzleloader, crossbow, shotgun and rifle	one black bear, either- sex
Prince Albert WMZ	Apr. 15 – May 31 Sept. 10 – Oct. 14 archery and crossbow	one black bear, either- sex

- All non-resident hunters must use the services of a licensed outfitter and possess a guided black bear licence.
- Canadian residents have the option of using the services of an outfitter by purchasing a guided bear licence.
- No colour dress requirements for archery, crossbow, muzzleloader and shotgun hunters.
- No hunting of female bears with young of the year cubs at heel.
- Archery and crossbow hunting only in Prince Albert WMZ.
- An unused 2019 black bear licence purchased for the spring season is valid for the 2019 fall seasons.

Wildlife Research

If you see a mule deer or white-tailed deer with a radio collar around its neck, please do not shoot it. The Ministry of Environment is conducting research with its partners at the University of Saskatchewan on the seasonal activities of these deer and have fitted a number of them with radio collars to track their movements. Please report all sightings to your nearest Ministry of Environment office.

Guided Moose - All Hunters		
Wildlife Management Zones Open	Season Dates	Bag Limit
WMZs 60 to 62	Oct. 1 – Oct. 14 Nov. 1 – Nov. 14 archery, muzzleloader, crossbow, shotgun and rifle	one bull moose
WMZ 69	Sept. 15 – Sept. 24 archery Oct. 15 – Oct. 19 Nov. 20 – Nov. 24 archery, muzzleloader, crossbow, shotgun and rifle	one bull moose
WMZs 70 to 76, including Lac La Ronge, Athabasca Sand Dunes and Clearwater River provincial parks	Sept. 1 – Nov. 30 archery, muzzleloader, crossbow, shotgun and rifle	one bull moose
Additional Information		
<ul style="list-style-type: none"> • Bull moose is a male moose that is at least one year old. • In provincial parks that are listed as having a September bull moose season, moose hunting is delayed until September 10. • All Canadian and non-resident moose hunters must use the services of a licensed outfitter and possess a guided moose licence. • Saskatchewan resident hunters wishing to hunt in the guided moose season must also use an outfitter and possess a guided moose licence. • The antlers of bull moose must accompany the carcass. Archery and crossbow hunting only in Prince Albert WMZ. 		

Fish and Wildlife Development Fund

The Fish and Wildlife Development Fund (FWDF) directs 30 per cent of the revenue from the sale of hunting, angling and trapping licences to secure and protect wildlife habitat, support research and data collection and promote public awareness of our wildlife resources. Through partnerships with Ducks Unlimited Canada, Nature Conservancy of Canada and the Saskatchewan Wildlife Federation, 645 hectares (1,594 acres) of land were purchased and 2,981 hectares (7,366 acres) were protected through conservation easements in the last year. Hunters also have the option of making a tax-deductible donation to the FWDF through HAL.

Guided White-tailed Deer - (Canadian and Non-resident Hunters)

Wildlife Management Zones Open	Season Dates	Bag Limit
WMZs 56 to 66 and 69, including Greenwater Lake, Great Blue Heron, Meadow Lake, Narrow Hills, Porcupine Hills, Wildcat Hill and Clarence-Steepbank Lakes provincial parks and Nesslin Lake and Round Lake recreation sites	Sept. 1 – Sept. 30 archery, muzzleloader and crossbow Oct. 1 – Dec. 7 rifle	one white-tailed deer, either-sex
WMZs 67, 68S and 68N including Bronson Forest Recreation Site	Sept. 1 – Oct. 31 archery, muzzleloader and crossbow Nov. 1 – Dec. 7 rifle	one white-tailed deer, either-sex
WMZs 70 to 73, including Lac La Ronge Provincial Park and that portion of Clearwater River Provincial Park located south of 57 degrees north latitude	Sept. 1 – Dec. 7 archery, muzzleloader and crossbow Sept. 1 – Dec. 7 rifle	one white-tailed deer, either-sex

Additional Information

- In provincial parks and recreation sites that are listed as having a September either-sex white-tailed deer season, deer hunting is delayed until September 10.
- Non-residents of Canada must use the services of a licensed outfitter while hunting white-tailed deer.
- Canadian residents who were not successful in the white-tailed deer draw can hunt white-tailed deer by using the services of an outfitter and possessing a guided white-tailed deer licence.
- Guided white-tailed deer archery, muzzleloader, crossbow, shotgun and rifle seasons are in place in portions of some forest fringe zones. For additional information contact a Ministry of Environment office.

Wolf - (Saskatchewan Residents Only)

Wildlife Management Zones Open	Season Dates	Bag Limit
WMZs 43, 47 to 50, 53, 54, 55 and 68N Note: There is no wolf hunting season in Greenwater Lake Provincial Park or Fort à la Corne WMU	Oct. 15, 2019 – March 31, 2020 archery, muzzleloader, crossbow, shotgun and rifle	one either-sex wolf

A 2020 game bird licence and habitat licence will be required April 1, 2020. The new 2020 licences become available on April 1. • White geese including Ross' geese may be hunted all day (one-half hour before sunrise to one-half hour after sunset) in both the Game Bird Districts. 		

Permit to Retain Wildlife

Saskatchewan residents may request a permit to retain wildlife that is found dead. To possess found dead wildlife, contact the nearest Ministry of Environment office within seven days, produce the animal for inspection and pay the required permit fee.

Summary of Trapping Regulations and Information

General Information

The province is divided into two trapping areas:

Northern Fur Conservation Area (NFCA) – Northern Saskatchewan Trapping Blocks

- Constitutes all Crown non-leased lands north of Highways 3, 35 and 49 and includes most of the provincial forest in central and northern Saskatchewan, Duck Mountain and Greenwater Lake provincial parks and Fort à la Corne WMU (portions of WMZ 40, 42W, 43, 45W, 47, 48, 49, 50, 52, 53, 55, 68N and all of WMZs 56 to 76);
- This area is partitioned into 89 community-based trapping blocks, which are managed by individual trappers through an orderly membership system;
- Eligible trappers holding a valid NFCA fur licence or a Saskatchewan resident youth fur licence, may only trap in the fur block in which they are a member; and
- Trapping in a NFCA is by application only through Ministry of Environment offices.

Southern Fur Conservation Area (SFCA) (South Saskatchewan open trapping area)

- Constitutes leased or private land primarily in the portion of Saskatchewan south of the provincial forest boundary (all leased or private lands within WMZs 1-50, 52-55 and 68N);
- A SFCA licence is available to any Saskatchewan resident that has:
 - > Completed a trapper education course;
 - > Successfully completed the trapper education exam; or
 - > Held a fur licence previously in any jurisdiction.

- Eligible trappers holding a valid SFCA or Saskatchewan resident youth fur licence may trap anywhere in the SFCA, provided they have obtained right-of-access from the landowner (if private land), occupant (lessee), or applicable government agency (vacant Crown land, community pastures, rural municipality right-of-ways, etc.).

Trapping Regulations

It is unlawful to:

- Hold a fur licence unless you have previously held a fur licence or successfully completed a recognized trapping course or examination and a firearm safety/hunter education course;
- Take furbearing animals without a fur licence except beaver (in select rural municipalities), coyotes, rabbits, raccoons and skunks. These species may be hunted year round without a licence by Saskatchewan residents in WMZs 1 to 50 and 52 to 55 (in the SFCA);
- Hold or apply for a fur licence while suspended;
- Sell any raw or unprocessed furs without possessing a valid fur licence or fur dealer's licence;
- Purchase any furs for the purpose of resale without possessing a fur dealer's licence;
- Purchase raw or unprocessed pelts or fur animals from a licensed trapper or fur dealer for personal use without a permit (contact your local conservation officer for further information);
- Send or take fur out of the province without obtaining an export permit;
- Use foot-hold traps for beaver, muskrat, otter or mink unless the trap is set so the animal drowns when caught;

- Use a foot-hold trap on land for the restraint of any fur animal unless the trap is a certified restraining trap or has been modified to improve humaneness (see page 41);
- Use or set a body-gripping trap that is not a certified trap for beaver, bobcat, otter, lynx, marten, fisher, ermine, least weasel, long tailed weasel, muskrat or raccoon;
- Use foot-hold traps with an inside jaw opening more than 24 centimetres (9.5 inches);
- Trap bears except with mechanically activated foot snares;
- Shoot a bear under the authority of a SFCA fur licence unless the bear is restrained in a mechanically activated leg snare;
- Shoot a cougar under the authority of a fur licence unless the cougar is restrained in a trap or snare;
- Use traps with serrated jaws or teeth to take furbearing animals;
- Use hooks or sharp devices to snag or spear furbearing animals;
- Use neck snares without a special permit except to take beaver under the ice or to take squirrels and rabbits;
- Use power snares (steel, spring-activated power neck snares) without a special permit;
- Tamper or interfere with legally placed traps unless authorized;
- Trap on any land without the permission of the landowner or occupant;
- Use or set a trap or snare on any land within 500 metres of a building, stockade or corral occupied by people or livestock without the consent of the owner or occupant in charge; and
- Fail to check traps or snares:
 - > Within one day when set within five kilometres of urban limits;
 - > Within one day when setting a mechanically activated leg snare for bears in the SFCA;
 - > Within three days when set on other lands in the southern zones;
 - > Within five days when set on lands within the Northern Fur Conservation Area.

Licensed trappers may:

- Hunt fur animals (except bears in the SFCA and cougars) with any firearm during an open fur season with the exception of Regina/Moose Jaw and Saskatoon WMZs;
- Carry a firearm of a .22 (or less) calibre rimfire rifle on an ATV during a big game season in WMZs 1 to 47, 52, 54, Duck Mountain and Moose Mountain provincial parks, Regina/Moose Jaw, Saskatoon and Prince Albert WMZs and Fort à la Corne WMU while conducting normal trapping operations;
- Carry and use a .22 (or less) calibre rimfire rifle in Regina/Moose Jaw and Saskatoon WMZs during a big game season, provided you are performing normal trapping operations.

Trapping Seasons

(Saskatchewan Residents Only)

Species	Season Dates	Additional Information
Arctic Fox	Oct. 15, 2019 - Mar. 15, 2020	Province wide (NFCA and SFCA)
Badger	Nov. 1, 2019 - Apr. 15, 2020	Province wide
Black Bear	Sept. 1, 2019 - June 30, 2020	NFCA, excluding provincial parks and recreations sites
	Sept. 10, 2019 - May 31, 2020	WMZs 30 and 34 to 50, 52 to 55 and 68N within SFCA and the following provincial parks and recreation sites; Athabasca Sand Dunes, Clarence-Steepbank Lakes, Clearwater River, Duck Mountain, Greenwater Lake, Great Blue Heron, Lac La Ronge, Meadow Lake, Narrow Hills, Porcupine Hills and Wildcat Hill provincial parks, and Bronson Forest, Nesslin Lake and Round Lake recreation sites
Beaver	Oct. 1, 2019 - May 31, 2020	NFCA
	Oct. 1, 2019 - May 31, 2020	SFCA except in RMs with open season bylaw*
Bobcat	Oct. 15, 2019 - Mar. 15, 2020	Province wide
Coyotes	Oct. 15, 2019 - Mar. 15, 2020	NFCA
Coyotes	Open Season	SFCA
** Cougar	Oct. 15, 2019 - Mar. 15, 2020	Province wide
Fisher	Nov. 1, 2019 - Mar. 1, 2020	Province wide
Fox (Red, Silver, Cross)	Oct. 15, 2019 - Mar. 15, 2020	Province wide
Lynx	Nov. 1, 2019 - Mar. 1, 2020	Province wide
Marten	Nov. 1, 2019 - Mar. 1, 2020	Province wide
Mink	Nov. 1, 2019 - Mar. 1, 2020	Province wide
Muskrat	Oct. 15, 2019 - May 31, 2020	Province wide
Otter	Nov. 1, 2019 - Apr. 30, 2020	Province wide
Raccoon	Open season	Province wide
Skunk	Open season	Province wide
Squirrel	Nov. 1, 2019 - Mar. 15, 2020	Province wide
Weasel	Nov. 1, 2019 - Mar. 1, 2020	Province wide
Wolf	Oct. 15, 2019 - Mar. 15, 2020	Province wide
Wolverine	Oct. 15, 2019 - Feb. 15, 2020	Province wide

*See website saskatchewan.ca/hunting for the list of RMs with open season status for beaver.

** There is a mandatory reporting requirement for possession of a dead cougar. A person capturing a cougar must immediately advise a conservation officer, provide the cougar for inspections and apply for a permit to possess the animal.

Wild Boars

Wild boars are classed as unprotected wildlife and may be hunted by Saskatchewan residents without a licence. During a big game season, a person can hunt wild boar (without a valid big game licence) as long as he or she is not accompanying a licensed big game hunter. All safety regulations are still in effect. Hunters are reminded to always obtain permission on private lands before pursuing wild boar. There are restrictions on pursuing wild boar within wildlife management units and provincial parks. Please check with your conservation officer for more details.

The Agreement on International Humane Trapping Standards

Canada is a signatory to the Agreement on International Humane Trapping Standards (AIHTS). This agreement states that only certified traps, where listed, can legally be used for trapping furbearers. In accordance with AIHTS, Saskatchewan regulations state it is unlawful to use or set a body-gripping trap (killing) that is not a certified trap for the applicable species. Trappers are allowed to use existing traps if a certified device for that species has not been identified. Following the agreement, restraining (foot-hold) traps can be used on land for the restraint and live-capture of a fur animal if the trap has been certified or modified to improve humaneness or is set in a manner that will kill the animal with reasonable dispatch. Visit saskatchewan.ca/hunting for more information on modifying conventional steel-jawed foot-hold traps.

The current listing of certified traps and humane trapping information is available at the Fur Institute of Canada website at fur.ca, by phone at 613-231-7099, or by email at info@fur.ca.

Trapper Education

First-time trappers must take a trapper education course or pass an equivalency exam before they can obtain a fur licence. The trapper education exam can be taken by making an appointment at a local field office or by calling the ministry inquiry line at 1 (800) 567-4224.

The Saskatchewan Trappers Association (STA) and Northern Saskatchewan Trappers Association Co-operative (NSTAC) offer recognized trapping education courses. For information, please contact:

Neck Snares

Neck snares are not covered under the Agreement on International Humane Trapping Standards and may only be used with a special permit subject to existing provincial regulations and policy. Check with your nearest conservation officer for more details.

Have a Question?

Call **1-800-567-4224** (in North America)

or email centre.inquiry@gov.sk.ca

Avoid drugs and alcoholic beverages

Hunting while intoxicated is illegal.

- Alcohol and some drugs should never be used before or during a hunt. Many drugs can impair your sense of judgement leading to accidents.
- Hunting under the influence of alcohol, marijuana or other narcotics is illegal.
- If you see a hunting violation, call the toll-free number or submit a report online 24 hours a day, seven days a week.
